FOR IMMEDIATE RELEASE

Hunt ADR and The Barrister Group Launch *The Private Arbitration Court* – A Leading Innovation in UK Arbitration Services with Fixed Cost Fees

London, UK – 12/11/2024 – Hunt ADR and The Barrister Group, premier providers of alternative dispute resolution services, have announced the official launch of The Private Arbitration Court, in a groundbreaking collaboration. This new service offers a modern, streamlined approach to arbitration, utilizing cutting-edge technology and a transparent fixed cost fee structure to provide swift, efficient, and expert resolutions to legal disputes.

The Private Arbitration Court brings together the decades of experience and innovative platforms of both Hunt ADR and The Barrister Group. The service is built on three key pillars:

1. Expert Arbitrators – Leveraging a panel of active, experienced arbitrators across a broad range of industries.
2. Unrivalled Expertise – As the UK’s largest arbitration provider by case volume, Hunt ADR brings unmatched expertise in handling arbitration cases. With over 25 years of case administration experience, clients benefit from the deep knowledge and proven processes that ensure efficient and effective resolution.
3. Advanced Technology with Transparent Fixed Costs – Hunt ADR’s online platform, Artemis, developed with its lawtech provider, ODRPlat, facilitates seamless virtual hearings and case management, allowing a clear, fixed cost fee structure, giving clients certainty on the costs of arbitration from the outset.

This collaboration promises to redefine the arbitration landscape by ensuring cases are managed with unparalleled professionalism, transparency, and technology-driven efficiency.

Gregory Hunt, Chief Executive of Hunt ADR, commented:

“The Private Arbitration Court is a bold step forward for both Hunt ADR and the UK legal landscape. Our focus is on offering expert-driven, technology-enhanced arbitration services that deliver outcomes faster and more efficiently, with transparent and fixed fees to provide clients with cost certainty. This is about setting new standards of excellence for the industry, and we are proud to work alongside The Barrister Group to achieve this.”

Stephen Ward, Co-Founder of The Barrister Group, said:

“This collaboration is a natural fit for both of our organizations. We are bringing together our combined expertise to create a service that truly reflects the future of arbitration. The Private Arbitration Court will not only streamline the process but also elevate the experience for clients with our unique blend of professionalism, technology, and agility, all at a fixed cost.”
