

# All About Mediation

huntadr

Hunt ADR's All About Mediation course is an ADR Professional CPD programme designed as either an introduction to mediation or a practical refresher for those already familiar with the process. It provides a clear, structured overview of mediation, its principles, and its application.

## Key Details:

Format: On-demand, online

CPD: 3 hours

Focus: Introduction to mediation or refresher course

Includes: Checklists, templates, and practical tools

## Who is it for?

This course is suitable for mediators seeking CPD, professionals who regularly encounter disputes, and anyone wishing to understand the role and process of mediation.

## What will you learn?

- The principles and stages of mediation
- The mediator's role and responsibilities
- Key skills including listening, questioning and neutrality
- How to use checklists and templates effectively
- Practical applications of mediation in different contexts
